**In  
Loving  
Memory**

*When people hear the words  
'No Flowers Please'  
they feel the need to do  
something in memory of their  
friend or relative.*

*Many people decide to donate  
to a charity.*

*Sometimes the choice is an  
obvious one but if you are still  
deciding on which charity to  
choose please will you consider:*

*Families for Children,  
Adoption Agency,  
Registered Charity  
No. 1093131*

*[www.familiesforchildren.org.uk](http://www.familiesforchildren.org.uk)*

*Families for Children is the only  
voluntary adoption agency in  
the far South West covering  
Devon, Dorset and Cornwall.*

*We recognise the increasing  
complexities and demands of  
adopting children and that  
adoption is an on-going  
process, not a one-off event,  
where families may need  
different services at various  
times throughout their lives.*

*We are committed to providing  
an extensive range of support  
services, including one to one  
counselling and therapy, to our  
adoptive families for as long as  
this is needed.*

*We rely upon donations to meet  
this specialist need.*

*Please help us to change  
lives in memory of your  
loved one.*
